ABOUT US

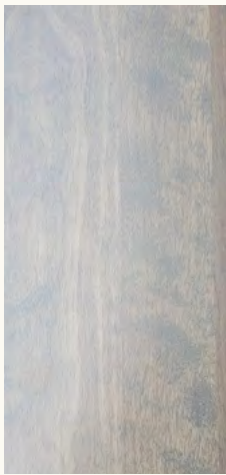

The Interiors Collection by Gifted Design is a natural extension of our heritage at The View Window Fashions. Rooted in timeless design and expert craftsmanship, this curated line of furniture and décor is created to complement our signature window treatments while offering complete design solutions for the home. Blending accessible luxury with thoughtful and intentional detail, this collection brings cohesion, character, and style to create interiors that feel beautifully finished, elevated, and uniquely yours.

CUSTOM ACCESSORIES

Every detail matters. Our custom décor accessories – from tailored pillows to bespoke upholstery – are designed to bring personality and polish to your space.

Handcrafted by our expert designers and artisans, each piece is created to elevate your interiors with comfort, style, individuality, and timeless sophistication. These finishing touches transform a house into a home that feels distinctly yours.

PILLOWS

Pillows essential for adding colour, texture, and comfort to your space. Available in a range of shapes, sizes, and materials, our custom pillows are designed to perfectly complement your style and create a cozy, inviting atmosphere.

BENCH SEATS AND SEAT CUSHIONS

Custom bench seating adds both style and function to your home. Designed to your preferences, our made-to-measure benches and cushions create comfortable, inviting spaces – from cozy window nooks to practical entryway seating.
